

# Breakable

Ingrid Michaelson

Have you ever thought about what protects our hearts?

Just a cage of rib bones and other various parts

So it's fairly simple to cut right through the mess

And to stop the muscle that makes us confess

And we are so fragile

And our cracking bones make noise

And we are just breakable, breakable

Breakable girls and boys

And you fasten my seatbelt because it is the law

In your two ton death trap I finally saw

A piece of love in your face that bathed me in regret

Then you drove me to places I'll never forget

And we are so fragile

And our cracking bones make noise

And we are just breakable, breakable

Breakable girls and boys

And we are so fragile

And our, our cracking bones make noise

And we are just breakable, breakable

Breakable girls

Breakable, breakable

Breakable girls

Breakable, breakable

Breakable girls and boys
