

# Sweet Dreams

**Holly Miranda**

And thank you for  
The sweet wishes for dreams  
Even though  
They grow further between Yeah, it seems these days  
I'm just trying to stay on my feet  
I walk through crowds  
So I never hear one heart beat And I found my goddess  
She was staring at me from the sky  
With the sun  
In her eyes and clouds And they say  
You would never let me go  
Never let me go, never let me I hope you find one that's so sweet  
Hold on tight to what you see  
And they say, they say  
Sharks patrol these waters  
But if you
