

Black Rabbit

Turin Brakes

We wake up lost, return to dust
8 billion butterflies, bright eyes
Sail to the sun, our future's bright
8 billion mouths to feed, it's alright
Black rabbit, when you gonna come
We've lost the plot, crawling up the walls
Who were we working for, lost souls
Our broken towns, watership down
Dilapidated hearts, blown round
Black rabbit, when you gonna come
Black rabbit, when you gonna come
