

# All My Life (Remastered)

Lomez Brown

How many times do we have to lock eyes.

Just for you to realize mh mm

Don't you see that i wanna be yours

And i want you to be mines

I know that you're fallin

I know that you're lonely

But i can make all of that change

Baby girl just say my name.

Ohoh trust in me. And you will see

How much you mean to me. Girl i'll set you free

(Chorus)

I wanna Love with you tonight (Add lib)

I wanna Love with you tonight

Through the dark to morning light (Add Lib)

Morning light. Give me your fiyah/Fire

And when you know the time is right. (Add Lib)

Give me a call tonight.

Cause been searching all my life (Add lib)

All My Life Mmmm All my Life

All my life. Dont you know.....

I cant even wait to hold you oh ooh oh

takng it slow.....

Girl i wanna be your soldjah Oh ooh oh

Dont try to fight it. I know that you want it.

Cause i can make your dreams come true.

Baby girl i choose you.

Lay all your trouble down on me.

You got a lock girl and i got the key.

Cant you see Jah lives in me.

You know where i wanna be.

(Chorus)

I wanna Love with you tonight (Add lib)  
I wanna Love with you tonight  
Through the dark to morning light (Add Lib)  
Morning light. Give me your fiyah/Fire

And when you know the time is right. (Add Lib)  
Give me a call tonight.  
Cause been searching all my life (Add lib)  
All My Life Mmmm All my Life
