

Sacramental Carnage

Sinister

Sacramental carnage
ultimate rejoining in the abyssCauterized sect fuse as one
final break-through the old worldDescended souls will dwell
into the crypts of emptiness
purified by massacre
eternal harassmentSurrounded by blackened sky
skin burns away
luxuriuos fire will unleash mortalityThe hallowed path
far beyond
the ocult of lifeImmortality beyond the innerself
the soul is all that remains
dead another state of being
enter aternal bissDescended souls will dwell
into the crypts of emptiness
purified by massacre
eternal harassment
