

# Needle and Thread

Brad

Well it's moments like this,  
when there's no one around  
it's moments like this  
when I can hear the sound  
of my own heart beaten'  
yeah, it's mighty loud  
it makes me want to stand up  
and shout out loud  
I don't wanna be hangin' by a needle and thread  
by the word left unsaid,  
by the sound in my head  
I wanna be livin' like I'm caught on a wave  
like the love that we gave  
like the songs that we've made  
In the beginning was the heartache  
in the end was the way  
the only way to freedom that I heard you say  
and I'm feeling like a big man  
standin' real proud  
make me wanna stand up  
and shout it out loud:  
I don't wanna be hangin' by a needle and thread  
by the word left unsaid  
by the sound in my head  
I wanna be livin' like I'm caught on a wave  
like the love that we gave  
like the songs that we've made  
da da daa da ne na  
da da daa da ne na  
da da daa de duh da  
nah ne nah ne nah ne  
I don't wanna be hangin'  
by a needle and thread  
by the word left unsaid  
by the sound in my head  
I wanna be livin' like I'm caught on a wave  
like the love that we gave  
like the songs that we've made  
da da daa da ne na

da da daa da ne na  
da da daa de duha dah  
nah ne nah ne nah ne
