Just Love Me

LeAnn Rimes

Come on baby light the fire
I got somethin' you should see
Well, ya know it didn't cost me nothin'
But I wrapped it for ya 'speciallySo forget the little angel on the tree
And just love meWell, if I told ya don't buy me presents
Now you know that would be a lie
Baby, I don't have to have all the money in the world
Just give me some quality timeYeah, Christmas ain't about expensive things
So just love meWoah, oh yeahCome here boyOh, no, no, no, no, no
Now, yeah haOh yeah, it's Christmas Eve the slowest mornin'
I've been waitin' for our time alone
I'll be standin' beneath the mistletoe
Now that everybody's finally goneSo come over here and kiss me tenderly
And just love meWell, let me be your little angel on the tree
And just love meYeah, come over here and kiss me tenderly
And just love meJust love me, oh yeah baby
Oh yeah, yeah ha
