

La Parranda (The Big Party)

Gloria Estefan, Cheito Quiñonez, Kike Santander, D

Van llegando
They are arriving
The party is about to begin
Tonight is the big party
It has no end
Now they are listening to
The notes
Of the accordion
De gaitas que enamoran al repique de la tambor
Of flutes that love the beating of the drum
How the skins sound
All is happy
Its lost in the din
How plays the oboe

Coro: Se formo el jologorio
The merrymen are building
And so is the din
Que esto no es ningun velorio
This no wake
All is happy

Sigue el baile
The dance continues
Today we going till dawn
The night is dying and the party is born
What happiness
to have you by my side
Life is more beautiful
When it is so
A kiss to my old pals
A toast for father time
This is so good
Food for everyone

Coro: Se formo el jologorio
The merrymen are buliding
And the din
This is no wake
All is happy

A la noche respira ilusion
The night breaths magic
De augurios que le lanzan

Of best wishes that are cast Al viento so ãador
On the singing winds Mil historias
Thousand tales Se tejen mas alla
They weave beyond De vidas que abrazan
They embrace life De amores que vendran
Of loves to come Que suenen los cueros
How the drumskins sound Todo es alegrã-a
All is merry Se prendio el jaleo
Its lost in the din Que toque la chirmia
How plays the oboe

Coro: Se formo el jologorio
The merrymment is buliding Y la algarabã-a
And the din Que esto no es ningãñ velorio
This is no wake Todo es alegrã-a x 2
All is happy----- Se armo el jologorio
The merrymment gets stronger La algarabã-a
The din Eso es ningãñ velorio
No wake Todo es alegrã-a
All is merry Se armo el jologorio
The merrymment gets stronger La parranda se prendio
The party really going La algarabã-a
The din Prendio vamos todos a bailar
Lets all dance Ningãñ velorio
No wake Todo es alegrã-a
All is happy Por el ano que se va
For the passing year Se armo el jologorio
The merrymment is building Que siga la fiesta
Let the party continue La algarabã-a
The din Hasta que amanezea
Until dawn Ningãñ velorio
No wake Todo es alegrã-a
All is happy Esta fiesta si estã; buena
This party is truly good-----

Coro:

Se formo el jologorio
The merrymment is building Y la algarabã-a
And the din Ningãñ velorio
No wake Todo es alegrã-a (x 2)
All is happy
----- La parranda no se acaba
The parties does not end Hasta el sol de la manana
Until the rising sun of the morning Vamos a seguir bailando
Lets carry on dancing Que el aã±o se estã; acabando
As if the year is ending-----

Coro:Se formo el jologorio
The merrymen formsY la algarabÃ-a
And the dinQue esto no es ningÃn velorio
This is no wakeTodo es alegrÃ-a (x 2)
All is happy
