

# Can I Get a Witness

## Warzone

Life is hard - has its ups and downs.  
The more I try, the more they put me down.  
I won't listen to what people say.  
Keep on moving - to a better brighter day.  
If you feel it, know that it's real.  
Don't let nobody tell you the deal.  
Can I get a witness?  
Can I get a witness?  
Can I get a witness?

You can do it - put yourself back in control - you can do it - the future's up to you.  
I had a friend - said they would never do me wrong - to my surprise they were - Fooling me all along, fooling  
me all along, fooling me all along, can I get a witness?  
Turn around - state you're in believe - time has come - Make your move understand - Don't you want it?  
Know it's real - Can I get a witness?
