

Art-I-Ficial (Early Demo)

X-Ray Spex

I know I'm artificial
But don't put the blame on me
I was reared with appliances
In a consumer society When I put on my make-up
The pretty little mask not me
That's the way a girl should be
In a consumer society In a consumer society
In a consumer society My existence is illusive
The kind that is supported By mechanical resources
My existence is illusive
The kind that is supported By mechanical resources I wanna be instamatic
I wanna be a frozen pea
I wanna be dehydrated
In a consumer society In a consumer society
In a consumer society My existence is illusive
The kind that is supported By mechanical resources
My existence is illusive
The kind that is supported By mechanical resources
