

# The Journey Home

Sarah Brightman

[Foreign content]  
[Foreign content]The journey home is never too long  
Your heart arrives before the train  
The journey home is never too long  
Some yesterday's always remainI'm going back to where  
My heart was light  
Where my pillow was a ship  
I sailed through the nightThe journey home is never too long  
When open arms are waiting there  
The journey home is never too long  
There's room to love and room to spareI want to feel  
The way that I did then  
And think my wishes  
Through before I wish againNot every boat you come across  
Is one you have to take  
Now sometimes standing still can be  
The best move you ever make[Foreign content]The journey home is never too long  
Home hopes to heal the deepest pain  
The journey home is never too long  
Your heart arrives before the train[Foreign content]
