Jesus Christ Was an Only Child

Sun Kil Moon

Well Jesus Christ was an only child
He went down to the river
And he drank and smiled
And his dad was, oh, so mad
Should have insured that planet
Before it get crashedWorking real hard to make internet cash
Work your fingers to the bone sitting on your ass
I know now what I knew then
But I didn't know then what I know now
Penny found out as her hair was styled
You should hide your kids, while the dogs run wildJesus Christ was an only child
He went down to the river
And he drank and smiled
And his dad was, oh, so mad
Should have killed that little fucker
Before he even hadWell Jesus Christ was an only child
He went down to the river
And he drank and smiled
And his dad was, oh, so mad
Should have insured that planet
Before it get crashedWorking real hard to make internet cash
Work your fingers to the bone sitting on your ass
Penny found out as her hair was styled
You should hide your kids, while dogs run wild
I know now what I knew then
But I didn't know then what I know nowI know now what I knew then, ya
I know now what I knew then, ya
I know now what I knew then
But I didn't know then what I know now
