Here We Go

Robyn

Here we go once again
You and I, baby
I couldn't wait another minute
When I had you here again
I couldn't wait no longer
'Cause baby it's been more than minutes
Since we were more than friends, yeah
All of this time I thought
I thought that nothing had changed
But it's all the same
Here we go once again
You and I are more than friends
Here we go makin' love again
Here we go
Even though we both know this is not right
Here we go makin' love another night
Here we go once again
Here we go once again
You and I, baby
Makin' love to you is easy
It's something that I missed so long
Baby the way that you please me
It feels so right it can't be wrong
No no, no no
All of this time I thought

I thought that nothing had changed
But it's all the same
Here we go once again
You and I are more than friends
Here we go makin' love again
Here we go
Even though we both know this is not right
Here we go makin' love another night
Here we go, here we go once again
You and I are more than friends
Here we go makin' love again
Here we go
Even though we both know this is not right

Here we go, baby makin' love another night
Here we go once again
You and I are more than friends
Here we go makin' love again
Here we go
Even though we both know this is not right
Here we go makin' love another night
Here we go
Here we go
Here we go
Again
