

# Ball And Chain (Live)

Janis Joplin

We got one more song, uh, it's called "Love Is Like a Ball and Chain"

Sittin' down by my window,

Just lookin' on at the rain.

Mm, sittin' down by my window,

Just lookin' on at the rain.

Somethin' came along, honey, grabbed a hold of me,

An' it felt like a ball and chain.

Yeah! Alright!

And I said, oh, whoa, whoa, hon, tell me why,

Why does every thing go, go wrong ?

I said hon it all go wrong, I want to know! I want to know!

And I said, oh, whoa, whoa, honey, tell me why,

Why does every thing go wrong ?

I said babe it all go wrong, yeah.

Know, here you gone today, hon, I want to love you,

Babe, I want to love you for so long.

Yeah! Alright!

Love got a hold on me, baby,

And it feels like a ball and chain.

Lord, Lord, Lord, Lord, love got a hold on me, baby,

Feels like a ball and chain.

Honey, I don't know why the man I'm lovin'

Want to go and leave me here, said want to leave me here in so much pain.

Alright, there's one more thing I'm gonna ask you, yeah!

And I said, oh, whoa, babe, tell me why,

Honey, tell me why, hon tell, tell me why,

I said baby why, baby why, why, Lord, yeah!

And I said, oh, whoa, whoa, baby, tell me why,

Oh tell me, when I ask you, I want to know why,

Now baby, lordy baby!

Here you gone today,

I want to love you, love you, love you,

Till the day I die.

Alright, yeah!!!!

And I said oh, whoa, whoa, hon

It ain't fair, it ain't fair, hon what you do,
