

One More Cell

The Living End

One day at a time
One way it's a crime
Someday
Maybe another day
Brainless or are you
Ignorant or are you
Brainless or are you
Something more? Whoaoh whoaoh
It's just not right
And while you wait
One more cell becomes an empty space
Space, space
One day at a time
One way it's a crime
Someday
Maybe another day
Brainless or are you
Ignorant or are you
Brainless or are you
Something more? Whoaoh whoaoh
It's just not right
And while you wait
One more cell becomes an empty space
Space, space
Stuck in a can
With no holiday
Trials begin
While they waste away
Brainless or are you
Ignorant or are you
Brainless or are you
Something more? Whoaoh whoaoh
It's just not right
And while you wait
One more cell becomes an empty space
Whoaoh whoaoh
It's just not right
And while you wait
One more cell becomes an empty space
Space, space
