

Forming (Studio Recording 1977)

Germs

Rip them down

Hold me up

Tell them that

I'm your gun

Pull my trigger

I am bigger than Mr. Prez in his big White House

Listen he says we're comin' out

Infiltration-we're numbin' your minds

Concentration-we've done time[repeat chorus]Over there the Queen she says

Let's stamp them out and dry

Those tears Saturation-we want in taxes

Flagellation-we've got gashes[repeat chorus]In the cold, the czars claimin'

Just protectin', rockets aimin'

Alteration-the word is changin'

Observation-we want action[repeat chorus]I the Emperor proclaim

Us the masters we rule the game

Inclination-somethin' to dream on

Deprivation-we are sons[repeat chorus]
