

Tender As I Wanna Be

[Toby Keith](#)

I know sometimes you need me to be tender
I don't give you much to go on
So I'm amazed at how you hold on to me
Baby girl, I've never been this close before
Never opened up that door
I'm still finding my way
Something else that lovers do when I've been by myself
Never had to talk about movin' in with someone else
Then you kiss my face and it makes me smile
Girl, I want to lay with you right here with you for a little while
When I feel that rush coming down all over me
You're as far as I can see
That's tender as I wanna be, tender as I wanna be
Girl, it's so tender
No, maybe it's that hard to find someone to please me
Or it could be that real true love sometimes don't come easy
No, it don't come easy
Then you kiss my face and it makes me smile
Girl, I want to stay with you right here with you for a little while
Then I feel that rush, it's coming down all over me
You're as far as I can see
And that's tender as I wanna be, tender as I wanna be
Girl, it's so tender as I wanna be
