God's Got It

J Moss

Some people got soul
Some people got passion
Some people got wisdom
But you got it all
Some people got strength
Some people got courage
Some people got vision
But you got it all
Some people got drive
Some people got talent
Some people got style
But you got it all
Some people live life
Some people stay balanced
You're everything I ever want in a girl'Cause you got it all
'Cause you got it all
You got it allAnd I want all of it
Every little bit of all of itSome people got curves
Some people got beauty
That's deeper than words
But you got it all
Some people get wild
Some people stay classy
You're everything I ever want in a girl'Cause you got it all
'Cause you got it all
You got it allSo don't you change a thing
'Cause I like everything about you
From your hazy toes, from your lips to your nose
All perfect in my eyesSome people got soul
Some people got passion
Some people got heart
But you got it all (You got it all)'Cause you got it all (Yeah yeah yeah)
'Cause you got it all (You got it all)Some people got soul (You got it all)
Some people got passion (You got it all)
Some people got wisdom (You got it all)
But you got it all (You got it all)Some people got strength (You got it all)
Some people got courage (You got it all)
Some people got vision (You got it all)
But you got it all'Cause you got it all, ooh yeah

You got it all
