More Than Words

Ruben Studdard

Saying 'I love you'
Is not the words I want to hear from you
It's not that I want you
Not to say but if, if you only knew
How easy it would be to show me how you feel
More than words
Is all you have to do to make it real
Then you wouldn't have to say
That you love me
'Cause I'd already know
What would you do
If my heart was torn in two?
More than words to show you feel
That your love for me is real
What would you say
If I took those words away?
Then you couldn't make things new
Just by saying 'I love you'
Now that I've tried to
Talk to you and make you understand
All you have to do
Is close your eyes and just reach out your hand
And touch me, hold me close
Don't ever let me go
More than words
Is all I ever needed you to show
Then you wouldn't have to say
That you love me
'Cause I'd already know
What would you do
If my heart was torn in two?
More than words to show you feel
That your love for me is real
What would you say
If I took those words away?
Then you couldn't make things new
Just by saying 'I love you'
More than words
More than words

More than words
More than words
