

Everybody Falls

Matt Stamm

Everybody falls sometimes
So don't you ever feel ashamed
You try so hard to dream again
But nothing seems to go your way

Don't cry tonight
It's gonna be alright

CHORUS: All I know
Nobody's got the answers
Just let it go
Cuz nothing really matters
To yourself be kind
Everybody falls sometimes
Everybody falls sometimes

Your eyes can see the promised land
But you're stuck in the cold and grey
You hate to play to fool sometimes
But everybody makes mistakes

Don't hide your heart
We've all got scars

CHORUS

Even in your darkest hour
You're beautiful

When hope has let you down
Don't you know
Nobody's got the answers

CHORUS
