

# Smiling

## Urbanites

(bill luther, aimee mayo, chris lindsey, marv green)  
The cover of a magazine, nothing but a paper dream  
Just another fantasy for sale  
Telling me what I need, what I should do, who I should be  
That stuff don't matter to me at all  
The sky is blue and the sun is shining  
I feel like a bum with a pocket full of diamonds  
I'm free as a bird and my spirit's flying  
That's enough to keep me smiling  
Guru man on my tv set, selling the secrets to happiness  
1-800-change-your-life-today  
Dreams, I've got my own; I ain't looking for a yellow-brick-road

I'm just gonna go my own way  
The sky is blue and the sun is shining  
I feel like a bum with a pocket full of diamonds  
I'm free as a bird and my spirit's flying  
That's enough to keep me smiling  
Smiling (smiling), smiling (smiling)  
The sky is blue and the sun is shining  
I feel like a bum with a pocket full of diamonds  
I'm free as a bird and my spirit's flying  
That's enough to keep me smiling  
I'm still smiling, gotta keep on smiling  
I'm still smiling
