Desire

Unter Null

I always knew what I wanted to be I knew for sure, I knew for sure Always knew it was them or me I wanted more, more and more And it's all right, it's okay None of them people gonna take it away They don't know, they don't know And I can't stop 'cause it drives them crazy It drives them crazy, 'cause I won't be cool It's too late baby It's the same old desire Nothing has changed, nothing's the same Burning like fire Don't you ever take my name in vain, oh yeah Always moving, somewhere else to be Moving on, moving on Scream at you and you scream at me Right or wrong, right or wrong It's all right, it's okay No one's ever gonna take us away 'Cause they don't know like I know I gotta keep rockin' 'cause it makes me crazy It makes me crazy, who needs to be cool Life's amazing It's the same old desire Crazy train, crazy train Burning like fire Don't you ever take my name in vain It's the same old desire Nothing has changed, nothing's the same Burning like fire Don't you ever take my name in vain, oh yeah It's the same old desire Nothing has changed, nothing's the same Burning like fire Don't you ever take my name in vain Same old desire Crazy train, crazy train Burning like fire

Don't you ever take my name in vain
Same old desire
Nothing has changed, nothing's the same
Burning like fire
Don't you ever take my name in vain
