

Circles of Love

X-Perience

we dance in the desert
i feel a glance of your eye
the sun is burning on the sand
yearning bodies hand in hand
circles of love turn my head
i deserve and i'll get
all your lovin' tonight
and my fire will burn
innocence won't return
your face across the far sky
i loose myself in your eyes
i'm counting nights and days
waiting for the next embrace
i realize you drive
me crazy in my mind
love came face to face with life
all emotions in my mind
i try to cover try to hide
