

# CreepShow

## Proton Kid

I'm from a land called secret Estonia  
Nobody knows where it's at  
Nobody knows where it's at  
Nobody knows where it's at  
Ice cream mountains and chocolate skies  
Nobody knows where it's at  
Nobody knows where it's at  
Nobody knows where it's at  
Welcome to the creepshow  
Welcome to the creepshow  
Welcome to the creepshow  
Welcome to the, welcome to the  
Welcome to the creepshow  
Welcome to the creepshow  
I'm from a land called Secret Estonia  
Nobody knows where it's at  
Nobody knows where it's at  
Nobody knows where it's at  
Cinnamon houses and licorice flies  
Nobody knows where it's at  
Nobody knows where it's at  
Nobody knows where it's at  
Welcome to the creepshow  
Welcome to the creepshow  
Welcome to the creepshow  
Welcome to the, welcome to the  
Welcome to the creepshow  
Welcome to the creepshow
