

# Feathers & Tar (Britannia Row Mix)

## Alphaville

You came one night, turned my tide  
Blood red moon that you are  
Now I sit here, what can I do  
Wrapped in feathers and tar  
You clutched my back and you bit my neck  
Stroke me down to the floor  
You burn my brain, lay me in chains  
And I want more I'm on my knees, can't you see  
I don't know what to do  
Can't you heal me, can't you feel  
That my heart belongs to you It seems so wrong, that I sing this song  
Could it be, babe, could it be that you feel the same  
But let me tell you, and taht ain't no excuse  
Where both in the same situation  
Under each others sign like partners in crime  
And nobody needs to tell me  
That this ain't the end of the world  
It's just one of those crazy moments of the late, late 20th century  
But you visit my sweetest dreams and you kindle all of my phantasies  
And you're right, it's your name that I scream  
Don't you feel it, don't you hear me baby...I'm on my knees, can't you see..
