

Oh My Soul

[Meiko](#)

I wish I could tell you
Just how I feel
But I keep it inside
To make it more real
And I wanna be loved just like you do
I wanna be loved only by you
Oh My soul
Is counting on this
Oh My soul
Is counting the days until we kiss
I wish I could tell you I dream of you every night
And every day I think of ways to make you mine
And I wanna be loved just like you do
I wanna be loved only by you
Oh My soul
Is counting on this
Oh My soul
Is counting the days until we kiss
I'm counting the days until we kiss
I'm counting the days until we kiss
Oh My Soul
Is counting on this
Oh My soul
Is counting the days until we kiss
I'm counting the days until we kiss
I'm counting the days until we kiss
