

Good Girls Gone Bad

Martin Gordon

I make them good girls go
I make them good girls go bad
I make them good girls go
I make them good girls go
 Good girls so bad
 Good girls go bad

 I know your type
 (Your type)
 You're daddy's little girl
 Just take a bite
 (One bite)
 Let me shake up your world
'Cause just one night couldn't be so wrong
I'm gonna make you lose control

 She was so shy
 Till I drove her wild

I make them good girls go bad
I make them good girls go bad
You were hanging in the corner
 With your five best friends
 You heard that I was trouble
 But you couldn't resist
I make them good girls go bad
I make them good girls go
 Good girls go bad

 I know your type
 (Your type)
 Boy, you're dangerous
 Yeah, you're that guy
 (That guy)
 I'd be stupid to trust
But just one night couldn't be so wrong
 You make me wanna lose control

 She was so shy

Till I drove her wild

I make them good girls go bad
I make them good girls go bad
I was hanging in the corner
With my five best friends
I heard that you were trouble
But I couldn't resist
I make them good girls go bad
I make them good girls go
Good girls go bad
Bad bad
Good girls go bad
Bad bad
Good girls go bad

Oh, she got away with the boys in the place
Treat 'em like they don't stand a chance
And he got away with the girls in the back
Acting like they're too hot to dance
Yeah, she got away with the boys in the place
Treat 'em like they don't stand a chance
And he got away with the girls in the back
Acting like they're too hot to dance

I make them good girls go bad
(They don't stand a chance)
I make them good girls go
make them good girls go
The good girls go bad, yeah
Good girls go bad
I was hanging in the corner
With my five best friends
I thought that you were trouble
But I couldn't resist
I make them good girls go bad
I make them good girls go bad
I make them good girls go
Good girls go bad
Bad bad bad
Good girls go bad
Bad bad bad
Good girls go
