You Don't See Me

Keane

Like beautiful dawns, all made up and bright
Radiant people in splintering light
All moving at the speed of life reflecting in each others' eyes
But you're moving so fast through this beautiful scene
You don't see me, you don't see me
Oh, truly we are a fortunate few who turn on your axis, revolve around you
All spinning outwards from your sun passing your reflection on
In your hurry to grasp everything that you see
You don't see me, you don't see me
You don't see me, no you don't see me
Such a beautiful view, I guess you've seen it all
But you, you see nothing at all
Such a beautiful view shining so bright
Shining so bright, so bright
All moving at the speed of life reflecting in each others' eyes
But you're moving with such irresistible speed
You don't see me, you don't see me
You don't see me, no you don't see me
No you don't see me
