

# You Don't See Me

Keane

Like beautiful dawns, all made up and bright  
Radiant people in splintering light  
All moving at the speed of life reflecting in each others' eyes  
But you're moving so fast through this beautiful scene  
You don't see me, you don't see me  
Oh, truly we are a fortunate few who turn on your axis, revolve around you  
All spinning outwards from your sun passing your reflection on  
In your hurry to grasp everything that you see  
You don't see me, you don't see me  
You don't see me, no you don't see me  
Such a beautiful view, I guess you've seen it all  
But you, you see nothing at all  
Such a beautiful view shining so bright  
Shining so bright, so bright  
All moving at the speed of life reflecting in each others' eyes  
But you're moving with such irresistible speed  
You don't see me, you don't see me  
You don't see me, no you don't see me  
No you don't see me
