Computerized
(Digital love)
Computerized, oh baby
A beautiful loveComputer love
(Computer, computer love)
Computer love
(Lookin' for my computer love)
Computer love
(Hey)
Computer love
(Computer love)You know, I've been searching for someone
Who can share that special love with me
And your eyes have that glow
Could it be your face I see on my computer screenNeed a special girl
To share in my computer world
I no longer need astrology
Thanks to modern technologyShooby doo bop shoo doo bop, I wanna love you
Shooby doo bop
(I wanna love you, baby)
Shooby doo bop shoo doo bop, I wanna love you
Shooby doo bop my computer loveYou know, I've been around
From hot sexy mamas to cool Prima Donas
I wanna share your treasure, oh so rare
Cause its your face I see on my computer screenOh, wont you keep me warm tonight
You are such a sweet delight
I would cherish the memory of this night
Yes, I found my computer loveShooby doo bop shoo doo bop, I wanna love you
Shooby doo bop
(I wanna love you, baby)
Shooby doo bop shoo doo bop, I wanna love you
Shooby doo bop my computer loveDigital love
(Digital love)
