

# Worry Bout It (feat. Fetty Wap)

**Kirko Bangz**

Baby girl, you know you fine  
Just hit me on the line when you pull up to the house  
And it's going down, we don't gotta play around  
Say we ain't gotta tell nobody  
I can keep a secret easy as counting 1, 2, 3  
You ain't gotta worry  
'Bout another nigga knowin' you a freak
