Smoke

Matt Wertz

What's wrong with me
Actin' like an addict
She's no good for me
Feelin' like I'm chasin'
What will never be
And I never ever
Never ever
Never learnOh yeahAnd honestly,
She's the air
I'm breathin'
Need her desperately
The reason why
I'm livin'
But she's killin' me
And I never ever
Never ever
Never learn
Oh ohShe's smoke
You can't get enough
You want more
Fellin' like you
Never did before
So beautiful
Till she vanishes
SmokeI'm a casuality
Slave to all my senses
When she calls to me
Droppin' all defenses
Comes and goes
As she pleases
Ain't no rhyme
or reason
Smoke
You can't get enough
You want more
Fellin' like you
Never did before
So beautiful
Till she vanishes

SmokeDraws you to the fire
So bold
Dancin' through the air
Like an angel
Graceful
But you know you'll never hold her
She's smokeBrother
Don't you know
Sister's
Got control
That's the way it goes
Sister's got controlBrother
Don't you know
Sister's
Got control
That's the way it goes
Sister's got controlAnd she's smoke
You can't get enough
You want more
Fellin' like you
Never did before
So beautiful
Till she vanishes
SmokeDraws you to the fire
So bold
Dancin' through the air
Like an angel
Graceful
But you know you'll never hold herShe's smoke
