LCD

Die Krupps

I don't oppose
I don't confront
go with the flow
hard to control
I do conform
I follow the norm
swim with the mainstream
I'm not what I might seemI can't be identified
Mr. Faceless personified
without reflection
there's no detectionThis is my strategy
I use the LCD
you can call me an infiltrator
I'm the Lowest Common DenominatorI won't protest
I won't disapprove
the faceless crowd
covers my moves
I don't offend
seem easy to bend
don't have a profile
no godgiven style.
