

# For Your Love

Stevie Wonder

All the gold in all the world  
Is nothing to possess  
If all the things that it can bring  
Can't add up to one ounce of your happiness

Refrain:

And for your love I would do anything  
Just to see the smile upon your face  
For your love i would go anywhere  
Just you tell me and I'll be right there

A diamond that shines  
Like a star in the sky  
Is nothing to behold  
For miniscule is any light  
If it can't like you brighten up my soul

Refrain:

I could have never fathomed this  
Such joy  
love and tenderness  
That you give to me  
For the love I feel inside  
It's so wonderful I can't hide

And i glow  
I glow  
With just the thought of you

I do

I do

I do

I do

I do

I do

Refrain:
