Mingus Eyes

Richard Thompson

What a fool I was
What a thin disguise
Brando mumble
Mingus eyesWas a time she fell
But then she got wise
Brando mumble
And Mingus eyesI never had the squint of James Dean
Or the Stanislavsky tears
Or the rebel hunch that kills
Or the smile that slowly disappearsWhat a fool I was
What a thin disguise
Brando mumble
Mingus eyes
Brando mumble
Mingus eyes
