

Mingus Eyes

Richard Thompson

What a fool I was
What a thin disguise
Brando mumble
Mingus eyes Was a time she fell
But then she got wise
Brando mumble
And Mingus eyes I never had the squint of James Dean
Or the Stanislavsky tears
Or the rebel hunch that kills
Or the smile that slowly disappears What a fool I was
What a thin disguise
Brando mumble
Mingus eyes
Brando mumble
Mingus eyes
