

Lift Me Up

[Olivia Newton-john](#)

When I'm down on my luck and I'm searching for my soul
When I'm feeling too much and I start to lose control
When I'm down so low that even enemies don't wanna know
You still care for me, say a prayer for me and I know
Ooo, I like you hangin' round
'Cause you lift me up when I am upside down
Ooo, you are my favorite sound
'Cause you're always down for
Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms are around me, I don't wanna let you go
When I'm lost along way and I can't face another day
And if I stumble on the road and if I cant carry the load
And if I lose my faith, and kindness, and generosity
Would you hold my hand? Say you understand my pain
Ooo, I like you hangin' around
'Cause you lift me up when I am upside down
Ooo, you are my favorite sound
'Cause your always down for
Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms are around me, I don't wanna let you go

It's been a long hard road
And it's only just begun my friend
And this I know you helped me carry the load
'Cause you're always down for
Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
Well, you're always around, you're my favorite sound
Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms are around me, I don't wanna let you go
I don't wanna let you go
'Cause you lift me up now

Well, you're always around
You're my favorite sound
Lift me up now
You lift me up
Yeah, you're always around
You're my favorite sound
Lift me up
Ohh, yeah
