

# Long Way Back from Hell

Danzig

Advisory - the following lyrics contain explicit language:

YeahSold into slavery down in New Orleans  
Goddess of the bayou light  
Black dog's head on the killing bed  
Severed and left to bleedThere on fire in the corner of the world  
There in misery  
There on fire in the corner of the world  
Left for God to seeDo you want to take a life?  
Do you want to cross that line?  
'Cause it's a long way back from hell  
And you don't want to go with me yeahPoison father of the human race  
God of the tainted blood  
Malevolence sneaking up the spine of the world  
Ready for the bastards sonThere on fire in the veins of man  
There in misery  
There on fire in the veins of man  
Left for God to seeDo you want to take a life?  
Do you want to cross that line?  
'Cause it's a long way back from hell  
And you don't want to go with me yeahDo you want to take a life?  
Do you want to take a life? Yeah  
Do you want to cross that line?  
Do you want to cross that line?  
Want to cross that lineSold into slavery down in New Orleans  
Goddess of the bayou light  
Black dog's head on the killing bed  
Severed and left to bleedThere on fire in the corner of the world  
There in misery  
You start faintin' in the mirror on your look  
Left for God to seeDo you want to take a life?  
Do you want to cross that line?  
'Cause it's a long way back from hell  
And you don't want to go with me

And it's a long way back from hell  
And you don't want to go
