I sometimes
End up weeping
In the studio
All by myself
In the middle of the night
Don't worry
There's nothing to worry
It's just that
I want to sing
About my feelings
But the voice won't come out

That's allI sometimes
Feel like
Getting away from this city
All by myself
In the middle of the night
Don't worry it's just
That I wanted to go on a ride
By car and have fun
I never seem to be able to
Express my feelings
With words but*like chocolate
I hope my thoughts
My overflowing thoughts will melt one day
They'll be understood
Someone will understand
My overflowing thoughtsChoo roo roo*repeat
