

Not Sweeter Than Love

Jean B. Gerbier

Not sweeter than love

I like the coffee you made us this morning, I really
think it tasted sweet. The thing is truth like these
aren't as important as your love confession to me.

Chorus

Not sweeter than love, ooh, ooh, ooh, ooh, ooh.

Not sweeter than love, sugar not sweeter.

Not sweeter than love, you're loving.

Not sweeter than love, your love is so, so, so good

Not sweeter than love, I can make it feel sweeter

I know you may wind up causing your guaranteed satisfaction
to delay. As long as you don't mind keeping this to yourself.

It's pretty harmless to stay with me.
