

# When You Know

**Dianne Reeves**

When you know that you know  
Who you love, you can't deny it  
Or go back, or give up  
Or pretend that you don't buy it  
When it's clear this time you've found the one  
You'll never let him go  
'Cause you know and you know that you know  
When you feel in your skin, in your bones and the hollow  
Of your heart, there's no way you can wait till tomorrow  
When there isn't any doubt about it  
Once you come this close  
'Cause you know and you know that you know  
You can feel love's around you  
Like the sky 'round the moon  
This is how love has found you  
Now you know what to do  
When you know, that you know  
Who you need, you can't deny it  
Or go back, or give up  
Or pretend that you don't buy it  
When it's clear this time you've found the one  
You'll never let him go  
'Cause you know and you know that you know  
Yes baby  
And it's time you come in from the cold  
And you know that you know
