

# Just Say Jesus (Acoustic)

## 7eventh Time Down

Life gets tough, and times get hard  
It's hard to find the truth in all the lies If you're tired of wondering why  
Your heart isn't healing  
And nothing feels like home  
Cause you're lost and alone just screaming at the sky When you don't know what to say  
Just say Jesus  
There is power in the name  
The name of Jesus  
If the words won't come  
Cause you're too afraid to pray  
Just say Jesus Whisper it now or shout it out  
However it comes out, He hears your cry  
Out of nowhere He will come - you got to believe it  
He will rescue you  
Just call out to the Way, the Truth, the Life When you don't know what to say  
Just say Jesus  
There is power in the name  
The name of Jesus  
If the words won't come  
Cause you're too afraid to pray  
There is just one name  
Strong enough to save  
There is just one name  
There is just one name Jesus When you don't know what to say  
Just say Jesus  
There's still power in the name  
The name of Jesus  
If the words won't come  
Cause you're too afraid to pray  
If the words won't come  
And you don't know what to say Just say Jesus
