

Drank

Girlicious

Chorus

In the next three minutes if I don't get a drink
You ain't seein pink, you ain't seein pink
In the next two minutes if I don't get a sip
You ain't get shit, you ain't get shit
In the next minute if I don't get a shot
We ain't gettin hot, we ain't gettin hot
In the next five seconds if I don't get a glass
You ain't gettin' ass, boy don't even ask

Verse 1

I see these boys they always think
If I can hit it I'd be dopiest
I look like sex with no regret
So Mr. Arie go get me something
You won't get a chance 'less you spend it
Tell the bartender have them sent it
Lah, Lah, Lah, Lah
I'm still here waiting
Blah, Blah, Blah, Blah
You just keep stuttering

Chorus

In the next three minutes if I don't get a drink
You ain't seein pink, you ain't seein pink
In the next two minutes if I don't get a sip
You ain't get shit, you ain't get shit
In the next minute if I don't get a shot
We ain't gettin hot, we ain't gettin hot
In the next five seconds if I don't get a glass
You ain't gettin' ass, boy don't even ask

Verse 2

Like oh my gosh, I think he looks lost
You play that cost or I ain't going near that box (Not in the box)
Until the taxi, until I'm tipsy
If you can't please me
Then I'll be saying next, peace
Jump on it, time is ticking
If it don't come quick, I'll be bouncing
Lah, Lah, Lah, Lah
I'm still here waiting

Blah, Blah, Blah, Blah

Last call is coming
