Location

Khalid

Send me your location lets
Focus on communicating 'cause
I just need the time and place to come through
(A chance to come through)
Send me your location lets
Ride the vibrations
I don't need nothing else but youAt times I wonder why I fool with you
But this is new to me, this is new to you
Initially, I didn't wanna fall for you
Gather my attention it was all for you, so don't
Take advantage, don't leave my heart damaged
To understand that things go a little bit better when you plan itSo won't you send me, your location lets
Focus on communicating 'cause
I just need the time and place to come through
Send me your location lets
Ride the vibrations
I don't need nothing else but youI don't wanna fall in love off of subtweets so
Let's get personal
I got a lot of cool spots that we can go
Tell me what's the move and I got you
I'm only acting like this 'cause I like you
Just give me the vibe to slide then
I might make you mine by the nightSend me your location lets
Focus on communicating 'cause
I just need the time and place to come through
(A chance to come through)
Send me your location lets
Ride the vibrations
I don't need nothing else but youRide, ride, ride, come and vibe with me tonight
I don't need nothing else but you
(I don't need nothing else but you)
Ride, ride, ride, come and vibe with me tonight
I don't need nothing else but you
Nothing else but you
I don't need nothing else but you
