

# Do Something

Macy Gray

Get up get out and do somethin'  
Like Cleopatra, got the masses at my feet  
Gotta living dwell down on Easy Street  
And I'm the latest craze, oh yeah  
And if you stay awhile  
Inevitably you gonna bite my style  
In your later days  
Now let me tell you what is fact and what is true  
I get high a lot ain't got much to do  
I'm always in a daze  
That was just a dream I had  
Last night in my bubble bath  
Next to my wishing well, oh yeah you gotta  
Get up get out and do somethin'  
Don't let the days of your life pass you by, you got to  
Get up get out and do somethin'  
How will you make it if you never even try?  
Get up get out and do somethin'  
Can't spend your whole life trying to get high, you got to  
Get up get out and do somethin'  
'Coz you and I got to do for you and I  
What's been happenin'? How you doin'? Where you been?  
I'm further behind now then I was back then  
Lost in some ole maze  
Some years have passed me by  
All I want is to go get high  
I'll get it together some other day  
In my dreams I dwell  
'Coz all my dreams are swell  
Get up get out and do somethin'  
Don't let the days of your life pass you by, you got to  
Get up get out and do somethin'  
How will you make it if you never even try? Come on and  
Get up get out and do somethin'  
Can't spend your whole life trying to get high, you got to  
Get up get out and do somethin'  
'Coz you and I got to do for you and I  
Get up get out and do somethin'  
How will you make it if you never even try?

Get up get out and do somethin'  
'Coz you and I got to do for you and I  
In my dreams I dwell  
'Coz all my dreams are swell  
And you would too, If you could see them  
That's when I know I gotta go get up get out  
Heaven's at my feet  
Gotta living dwell down on Easy Street  
I'm the latest craze  
It's just a dream I had  
Last night in my bubble bath  
Next to my wishing well  
Get up get out and do somethin'  
Your whole life, hey hey  
Get up get out and do somethin'  
How will you make it if you never even try? Baby  
Get up get out and do somethin'  
Can't spend your whole life trying to get high, come on and  
Get up get out and do somethin'  
'Coz you and I got to do for you and I  
Get up get out and do somethin'  
Get up get out and do somethin'  
Get up get out and do somethin'
