Tokyo Summer

Mounties

Hazy, like a Tokyo Summer
I've been hanging off your every word
Under blankets and coversI see the feeling of the moment now over your cheeks
I hear the lack of intimidation whenever you speakMount Fuji tipped with snow
It leans against the sky
It makes our dreams align
All we want and all we ever
Could have hoped to be is still aliveWe lay together under stars as if we didn't exist
I feel the teasing of the storm clouds on both of our lips
Some of this feels so dangerous and it's hard to resist
Some of this is just so much safer to let go than to miss (than to miss)
Mount Fuji tipped with snow
It leans against the sky
It makes our dreams align
All we want and all we ever
Could have hoped to be is still aliveMount Fuji tipped with snow
It leans against the sky
It makes our dreams align
All we want and all we ever
Could have hoped to be is still aliveHazy like a Tokyo Summer
Hazy like a Tokyo Summer
Hazy like a Tokyo SummerI've been hanging off your every word
Under blankets and covers
Mount Fuji tipped with snow
It leans against the sky
It makes our dreams align
All we want and all we ever
Could have hoped to be is still aliveHazy like a Tokyo Summer
(I don't know I don't know)
Hazy like a Tokyo Summer
(I don't know I don't know why)
Hazy like a Tokyo Summer
(I don't know I don't know)
Hazy like a Tokyo Summer
