Yeah Yeah Yeah

The Vibrators

[Chorus:]
Yeah Yeah Yeah [x4]Listen honey hear what I say,
I give you my love an' then you throw it away.
Well -[Chorus]Hey baby it's always the same,
You kiss my body then you kick in my brain.
Well -[Chorus]Money honey that hurts,
Money honey that hurts,
Money honey your causin' me pain,
I don't know why you do it but you're doin' it again.
Well -(Hey watch that guitar)[Chorus]
