

Walk with Me In Hell

Lamb of God

Pray for blood, pray for the cleansing
Pray for the flood, pray for the end
Of this nightmare, this lie of a life
Came as quickly as it can dissolve We seek only reprieve
And welcome the darkness
The myth of a meaning
So lost and forgotten Take hold of my hand
For you are no longer alone
Walk with me in Hell Pray for solace, pray for resolve
Pray for a savior, pray for deliverance
Some kind of purpose, a glimpse of a light
In this void of existence Now witness the end of the age
Hope dies in hands of believers
Who seek the truth in the liar's eyes Take hold of my hand
For you are no longer alone
Walk with me in Hell Walk with me in Hell
Walk with me in Hell
Walk with me in Hell
Walk with me in Hell
Walk with me in Hell Take hold of my hand
For you are no longer alone
Walk with me in Hell
Walk with me in Hell
Walk with me in Hell You're never alone
You're never alone
You're never alone You're never alone
You're never alone
Walk with me in Hell
