

# Turn It Up (Main SED Version)

## Brandy

[Verse 1]

Give me a sour power  
I'ma need a sponge roller and some sweet pajamas  
Give me some Donnie Simpson  
On Video Soul where I got my first attention  
Cause I don't want to sound familiar  
Want a guaranteed single, not an album filler  
Give me some 90's music  
I want Timbaland on it, I know he can do it[Chorus]  
All my people they hear this and be askin' 'what?'  
Brandy on the radio, turn it up!  
Timbaland, you know how to bang the club  
Give my people something to shake their butts  
All my people they hear this and be askin' 'what?'  
Brandy on the radio, turn it up!  
Timbaland, you know how to bang the clubs  
Give my people something to shake their buttsIt's something big![Verse 2]  
The Kid n' Play reunion  
Give me House Party, give me House of Music  
Yup, gimme 92 and  
Lemme do my thing on it so they won't refuse it  
Make it hot, get Babygirl's attention  
She's more than a woman and we sure do miss her  
I want to represent her  
Timabaland, Missy, you get the picture[Repeat: x4]  
Give it up, we gon' show you how we party[Chorus][Bridge]  
Bang this joint for all the clubs  
All my people, all my folks  
Hit the streets and tell your friends  
Your girl Brandy is back again  
Is everybody ready?  
Here I come  
Is everybody ready?  
It's been long enough  
Is everybody ready?  
I'm overdue  
Is everybody ready?  
Here for you[Chorus]Give me a sour power  
I'ma need a sponge roller and some sweet pajamas

Give me some Donnie Simpson  
On Video Soul where I got my first attention  
Give me a sour power  
I'ma need a sponge roller and some sweet pajamas  
Give me some Donnie Simpson  
On Video Soul where I got my first attention[Repeat: x4]  
Give me some 90's music  
I want Timbaland on it, I know he can do itGive me some 90's music  
I want Timbaland on it, I know he can do it
