

# Serenade in Blue

## Gloria Lynne

When I hear that serenade in blue  
I'm somewhere in another world alone with you  
Sharing all the joys we used to know  
Many moons agoOnce again your face comes back to me  
Just like the theme of some forgotten melody  
In the album of my memoryIt seems like only yesterday  
A small cafÃ©, a crowded floor  
And as we danced the night away  
I hear you say forever more  
And then the song became a sigh  
Forever more became goodbye  
But you remained in my heart  
So tell me, darling, is there still a spark?  
Or only lonely ashes of the flame we knew  
Should I go on whistling in the dark?Should I go on whistling in the dark?
